RocCity Park UPDATE #1
October 6, 2008

The mission of the *RocCity Skate Park City-Community Partnership* is to build a skate park in the City of Rochester by selecting a location, raising \$500,000 for the initial construction, and developing a partnership to manage the skate park once it is built.

The first meeting of the RocCity Park Citizen Planning Group was May 21, 2008, so at the time of this grant submission we have been organized for five months. In these five months, we have:

- Met With New York State Senator Joseph Robach, and Prepared a Proposal for \$250,000 for a Special Legislative Project
- Prepared and Submitted a Proposal for \$25,000 to the Tony Hawk Foundation
- Developed a Logo
- Launched a Web Page (www.roccitypark.org)
- Received and Sold One Donated Vehicle
- Hosted One Special Event
- Planned A Second Special Event (with will take place October, 2008)
- Launched a Spare Change Fundraising Event in Local Businesses
- Secured Corporate Partnerships (Krudco, Rust Belt Boards)
- Found the Ideal Location
- Applied for the Appropriate Use Permit for this Location
- Raised \$2,398
- Begun the Design Phase of the Skatepark
